

You Got Me Floatin'

P.M. Dawn

You got me floatin', 'round and 'round
You got me floatin', never down
You got me floatin', naturally
You got me floatin', float to please

Oh, you got me floatin' around and 'round
Always up, you never let me down
The amazing thing; you turned me on naturally
Oh and I kiss you when I please
Hear what I'm sayin' babe

You got me floatin', 'round and 'round
You got me floatin', never down
You got me floatin', naturally
You got me floatin', float to please

You, you got me floatin', across and through
You make me float right on out to you
There's only one thing I need to really get me there
Is to hear you laugh without a care
What I say now babe

You got me floatin', 'round and 'round
You got me floatin', never down
You got me floatin', naturally
You got me floatin', float to please

Now your daddy's cool and your mama's no fool
They both know I'm head over heels for you
And when the day melts down into a sleepy, red glow
That's when my desires start to show

You got me floatin', 'round and 'round
You got me floatin', never down
You got me floatin', naturally
You got me floatin', float to please

"He just kept on goin'..."
