

# AFRAID TO DIE

P.o.d.

I decided it was time for me to live but the hardest part is trying  
They say you either get busy with living or get busy dying  
You see there's only one me and I'm going to be who I'm supposed to be

Nobody said it would be easy  
See I was never given much. Y'all wanna take that too?  
But everybody gets a chance, do what you gotta do  
Can't nobody take it from me or make me want to quit  
You only get one life, no matter what, you better live it

When you're with us, you're not alone  
You're not alone  
You're not alone when you're with us

We ain't afraid to die!  
We ain't afraid of life!  
If the world is gonna end you know that I'm bringing all my friends cause we ain't afraid to die!

I learned a long time ago that life is a gift that I've been given  
It's been me against the world but I knew I'd never give in  
Life can hurt but ever since my rebirth  
I stepped out of my way and discovered what I'm really worth  
So I'm free to unwind while enjoying the ride  
We catching vibes and always down to have a good time  
It's what it is so stop living on the side lines  
Master of my fate, this is life so I'm gonna live mine

When you're with us, you're not alone  
You're not alone  
You're not alone when you're with us

We ain't afraid to die!  
We ain't afraid of life!  
If the world is gonna end you know that I'm bringing all my friends cause we ain't afraid to die!

Nobody gets out alive!  
Out alive!  
Nobody gets out alive!  
Out alive!  
Gets out alive!  
Nobody gets out alive!  
Out alive!  
Nobody gets out alive!  
Out alive!

We ain't afraid to die!  
We ain't afraid of life!  
If the world is gonna end you know that I'm bringing all my friends cause we ain't afraid to die!
