The awful
Wonder
Taken away
Trapped in a maze
Captivated by the pain
Questioning faith
So fascinating
I'm trapped in amazing

I just wanna go home!
Home!
I don't know where else to go
All alone, so I just wanna go home!

(Whoa-ooh-oh-oh)

Abandoned
Surrounded
You vanished away
I'm trapped in a maze
Lost and confused
Desired and pursued
Off in a daze
I'm trapped in amazing

I just wanna go home!
Home!
I don't know where else to go
All alone, so I just wanna go home!
Home!
By myself it hurts the most
No one's here so I just wanna go—
Home!

I just wanna go, wanna go home
It's as far as I can go
So much more but nobody knows
So I just wanna go, wanna go home

I just wanna go, want to go home
I'm not from here so I try to go
They promised the world but they hate your soul
That's why I wanna go, wanna go home

I just wanna go, wanna go home
I don't belong so I have to go
I'll be gone for awhile, let you know
I [?] I wanna go home

I just wanna go home!
Home!
I don't know where else to go
All alone, so I just wanna go home!
(And I just wanna go) Home!
(And I just wanna go)
By myself it hurts the most
No one's here so I just wanna go—

(Wanna go home!
I wanna go, home!
Wanna go, home!)
