

Thinking About Forever

P.o.d.

A
m

Time goes by,

G

And God knows I try,

F
m

To carry on with life,

G

Decide not to hide the feelings inside,

A
m

G

Even though they hurt sometimes,

I still forget to remember you,

F
m

G

It's easy too,

A
m

Lock away these pains don't wanna relive it through,

G

But I stand strong,

F
m

You thought me how to move on in this world,

G

I married my sweet here at,

Even got a little baby girl,

A
m

G

I wish you could see her,

I swear she looks just like you,

F
m

G

If you can hear me,

Show me a sign,

Please send a butterfly or two.

A
m

G

F
m

I'm thinking about forever, missing you,

A
m

G

F
m

I know you're so much better, we made it through.

A
m

G

Now I know what it means to live with someone else,

F
m

G

To give up yourself,

A
m

G

Things that change their times you caught it strange,

F
m

G

Your love remains the same,

A
m

G

Do I make you proud?

Mama can't you see me now?

F
m

G

Whatever's good at me,

It's because you showed me how,

A
m

G

To take, love by the hand,

As so now I can,

F
m

G

Share you with my baby so that she can understand.

I'm thinking about fore

ver, missing you,

Am

G

Fm

I'm tripping on whatever, hearing you.

And finish the music with this.....
