

# This Ain't No Ordinary Love Song

P.o.d.

I don't belong  
Too many wrongs  
I'm so undeserving.  
I'm lost inside confusing minds. a slave to what i'm feeling.  
Scared of what i'm thinking. i'm not worried about forgiving yo  
u  
The simple truth

This ain't no ordinary love song

This love undone  
Words left unsung  
Now i have become me.  
The reasoning escapes my soul that leads to understanding  
Loving you to death is stopping someone else from living too  
Now it's killing you.

Losing control to all my thoughts  
I want to let go but i cannot  
This is my love it's all i got  
Don't take there in hell i'll rot

This is my love it's all i got
