

THIS IS MY LIFE

P.o.d.

You get one life, one chance
So you better take it slow
And by the way, may I have this dance?
We sound too good just to let it go
We hang around for some better days, yeah
'Cause seasons change, at least that's what the preacher says
So it's okay if we ain't okay
We'll make it through 'cause there's a better way

Don't waste your time being unhappy
You only get one life to live
'Cause if you don't then they'll take it away
I make my life, life what it is

This is your world, my life
Your world, but it's my life
It's crazy, frustrating, beautifully created, chaotic and changing
This is my life

We get one life, let's go
Ready to fly, let the world know
We living One Love, One Way
And I don't care what the people say

Don't waste your time being angry
You only get one life to live
'Cause if you don't then they'll take it away
Look at me now, I won't ever quit

This is your world, my life
Your world, but it's my life
It's crazy, frustrating, beautifully created, chaotic and changing
This is my life

Here and
This is my life
Here and gone away
This is my life
Here and
This is my life
Here and gone away
This is my life

Here and gone like a song sung in the dark
In the dark, we sing on and on
Here and gone like a song sung in the dark
In the dark, we sing all night long

Here and gone like a song sung in the dark
In the dark, we sing on and on
Here and gone like a song sung in the dark
In the dark, we sing all night long

This is your world, my life
Your world but it's my life
It's crazy, frustrating, beautifully created, chaotic and changing
This is my life

Here and
This is my life
Here and gone away
This is my life
Here and
Beautifully created, chaotic and changing
Here and gone away
This is my life
