The Peter, either, cheater, either
Out of the, never, ever, you the ever to the jam
I can make you dance, dance
Softly like my mama used to tell me a story
'Cause there are two little black birds sitting on a wall
One named Peter, Peter, other named Paul
Fly away Peter, Peter, fly away Paul
Come back Peter, Peter, come back Paul
Get fun, let me see you go
So I can shake your body 'cause I wanna' make you slow
So I can make you go, so I can make you blow
So I can move your body, shake your body and all
I got manager then I pray for God protect me
To gimme, gimme, gimme all, all that money
And change your ways around the ways
'Cause you know my day
So guys just call me baby, woom
With them jeez and their B, Peter Square, square
'Cause you know my baby, 'cause I promise I'll be there, there
