

Gotta Get Back

P1Harmony

I know I'm not perfect
And I've hurt your heart before
So I don't wanna make a promise
I can't give

I just want to love you
Here forever endlessly
So I just hope you hear me
When I say don't leave

Yeah yeah yeah
Show me your love almyeonseodo deo
Neoman bolge my love I swear
Sageon gateun gamjeong nae mame damaseo

And I don't care what went wrong
Your love is my home
So wherever you are

I'll do whatever you want me to
I'll do whatever I gotta do
I've gotta
Gotta get back to

Gotta get gotta get back to you
I'll do whatever you want me to
I'll do whatever I gotta do
I've gotta
Gotta get back to

Never had someone make me
Feel all these ways before
And now it seems that
I can't get you out my mind

You got me hanging on
To every word you say
I swear I'll put you first
