

# JUMP

P1Harmony

Jump  
Jump  
All day, all night  
Stand up and gimme that highlight  
One way, my way  
I'm going fast on the highway

Dance with me (Dance)  
Dive in this moment we make it a party  
Energy  
Pour up and turn up the vibe, yeah, we got it  
Ting-a-ling, I'm an MVP  
Got an upgrade to VIP  
When I make my move, eyes on me  
Eyes on me

Pump up the tempo  
Turn up some more  
Who cares about the troubles?  
Better drop it all  
Your life is simple (Simple)  
Come on and try (Come on and try)  
You gotta keep it up or stop it  
Game over, over  
One, two, three, four

(Jump) Da-ra-ri-da-ra  
Move just the way I go  
(Dumb) Da-ra-ri-da-ra  
Just put your hands up  
(Jump) Da-ra-ri-da-ra  
Follow my groove and go  
Dumb, dumb, dumb  
Jump, jump, jump

Ju-ju-ju-jump boy, see, I'm going  
Now, higher ground touchin' down-down to the sky  
Feelin' blocked up all around-round  
Wa-wait, wa-wait, I'm a jump boy  
High-five with the satellite  
It feels more than okay  
Don't you stand in there when we go  
Let's get crazy, it's okay

Okay, okay  
Oh, it's boomin' so double up, right  
No stop and I'm movin' up  
Everest ski, ski downslide, they put me down  
Rebound like a trampoline, you know that I ain't never die  
Your life is simple (Simple)  
Come on and try (Come on and try)  
You gotta keep it up or stop it  
Game over, over  
One, two, three, four

(Jump) Da-ra-ri-da-ra  
Move just the way I go

(Dumb) Da-ra-ri-da-ra  
Just put your hands up  
(Jump) Da-ra-ri-da-ra  
Follow my groove and go  
Dumb, dumb, dumb  
Jump, jump, jump

Lose your mind now  
We need no drama  
Enjoy the ride now  
We ain't never coming down  
If you ain't a player, you're a buzzkill  
Don't you cross the line, put you on a grill  
You ain't never gon' get it, get it, run away, beat it, beat it  
Turn it up, get naughty, burn it, burn it, now that I'm ready  
One, two, three, four

(Jump) Da-ra-ri-da-ra  
Move just the way I go (The way I go dumb)  
(Dumb) Da-ra-ri-da-ra  
Just put your hands up  
(Jump) Da-ra-ri-da-ra  
Follow my groove and go (Oh, go)
