

## I'll Wait for You

P9

Don't rush it  
Just take your time  
I know that soon you'll be mine  
Yes it's alright  
We'll just settle down  
Not tonight, but please stay around  
When the sky begins to part  
I'll be standing here  
When you open up your heart  
I'll be waiting

I'll wait for you  
And I'll wait for you  
I'll wait for you  
And I'll wait for you

Yes it's easy as 1, 2, 3  
Please believe me  
It's our destiny  
When you've made up your mind  
I'll be standing here  
With no mountain left to climb  
And I'll be waiting

I'll wait for you  
And I'll wait for you  
I'll wait for you  
And I'll wait for you

When the sky begins to part  
I'll be standing here  
When you open up your heart  
I'll be waiting

I'll wait for you  
And I'll wait for you  
I'll wait for you  
And I'll wait for you

I'll be waitin'  
Yes I'm waitin'  
I'm waitin' for you now
