BSB, touche à mon gang, et puis j'te pop
J'suis tout frais, j'sors du cocon, eux c'est des gros cons même pas propres
J'vais les coucher, grr paw (paw)
Si beaucoup d'ennemis approchent, j'vais laisser dépasser la crosse
C'est des Bomboclaat, hey (la mala est gangx)
Attendez pas qu'la bombe éclate, hey (wouh)
Pas assez de temps, j'suis pas un figurant, j'ai un automatique qui arrête l
e temps
Ou te crosser la bouche, le menton, la tempe, bibi tout le temps, et c'est é
vident
Propal, et j'décroche, 100k, han, han
I got, the big dick, suck me, hm, hm
J'suis toujours devant l'block, j'te refourgue une dose, grrrah
