

Flash Pose

Pabllo Vittar

Yes, girl!
Come on, get with me
You know, I had an outfit like that in high school
Flash, flash, flash, flash, flash, flash pose
Flash, flash, flash, flash, flash, flash close
Flash, flash, flash, flash, flash, flash pose
Flash, flash, flash, flash, flash, flash close

We can try this out
But you gotta know what I'm about
And if we can work it out
You know my body
You know, you know my body
We can try this out
But you gotta know what I'm about
And if we can work it out
You know my body
You know, you know my body

Yeah, come over, come over, baby
Come in my picture, that's right
'Cause I wasn't trying to get a nice picture by myself

Get in my picture, pose
Get in my frame, close
You're so cool, pose
Yeah, pose, yeah, close
Get in my picture, pose
Get in my frame, close
Tão sexy, pose
Yeah, pose, yeah, close

Look good when I walk in the party
Ride pink cars like Malibu Barbie (Ooh)
Dressed up 1999 Versace
I love Pabllo, Pabllo loves Charli (Mwah)
Post up like we own it, yeah
Glow bright like it's golden, yeah
Look good, damn, it's so unfair, yeah
Look good and we know it, yeah, yeah, yeah (Yeah)

We can try this out (Uh huh, uh huh)
But you gotta know what I'm about (Oh yeah, yeah, yeah)
And if we can work it out
You know my body
You know, you know my body (Oh)
We can try this out (Uh huh, uh huh)
But you gotta know what I'm about (Oh yeah, yeah, yeah)
And if we can work it out
You know my body
You know, you know my body (Oh)

Yeah come over, come over, baby
Come in my picture, that's right
'Cause I wasn't trying to get a nice picture by myself

Get in my picture, pose

Get in my frame, close
You're so cool, pose
Yeah, pose, yeah, close
Get in my picture, pose
Get in my frame, close
Tão sexy, pose
Yeah, pose, yeah, close
