

## Inside/Outside

Pablo Cruise

I'm in the dark again  
I don't know where to turn  
Or what to say  
Cause you can be so cold  
I don't even know you anymore  
Yesterday we cried  
There was no doubt  
In my mind you love me  
Today you wanna hide  
I don't understand  
Won't you tell me?  
Are you?

Inside  
Outside  
Where are you tonight?  
Hello  
Goodbye  
Are you here or there?

Every other day  
You just confuse me  
You use me  
You can't be blind  
That you can't see  
I'm in the dark again  
I don't know where to turn  
I don't know what to say  
Cause you can be so cold  
I wonder if you know me

Inside  
Outside  
Where are you tonight?  
Hello  
Goodbye  
Are you here or there?
