

# Runnin'

Pablo Cruise

Sometimes I wonder who  
Do you think you're fooling?  
First you're turnin' left  
And wished you turned right  
You're always moving  
Who ever told you  
You'd ever get ahead that way?

You better let easy  
You know you're never leavin'  
Oh, it's a shame  
It's a shame that (you feel) this way  
Runnin', runnin', runnin'  
Runnin', runnin', runnin' away

I hate to see you live with no direction  
I'd do anything I can to help you out  
Everytime I try  
If ain't worth to you  
You take me in  
And then you turn me out

Oh, it's a shame  
It's a shame that (you feel) this way  
Runnin', runnin', runnin'  
Runnin', runnin', runnin' away

Oh, you keep on runnin' too bad  
You just won't stay  
Oh, you keep on runnin'  
Runnin', runnin', runnin'  
Runnin', runnin', runnin' away

Oh, run away  
It's too bad  
You just won't stay

Runnin' will get you nowhere  
When you're runnin' away  
Where are you going?  
Talking goes nowhere when  
You ain't got nothin' to say  
Who are you fooling?

Runnin', runnin', runnin'  
Runnin', runnin', runnin' away  
Oh, you're runnin' away  
And I know you just won't stay  
You just won't stay  
No way

Runnin', runnin', runnin'  
Runnin', runnin', runnin' away  
You keep on runnin'  
It's too bad  
It's too bad  
You just won't stay

Oh, why won't you stay?

Runnin', runnin', runnin', runnin' away  
Oh, you're runnin'  
Runnin', runnin', runnin', runnin' away  
Yeah, you're runnin'  
Runnin', runnin', runnin', runnin' away  
I'm going home like this  
Runnin', runnin', runnin'  
Runnin', runnin', runnin' away  
Oh, you keep on runnin'  
Runnin', runnin', runnin', runnin'  
Runnin' away  
Runnin'!
