

Hate To Love It

Pac Div

She be Diddy boppin'
Century City shoppin'
Tell a nigga he cool but she gonna keep her options
He put a ring on it, she see it as a profit
(She be playin' dumb niggas like you)
She just wanna get that bag and them Jimmy Choos
She don't want yo dick she got better things to do
But when she want some dick it be way better than you 'cause she know
(She be playin' dumb niggas like you)
Hittin' notes like she in a choir
She at the crib butt-naked playin' Jeremiah
You at the party and she on the flyer
You think you is fly but she thinkin' flyer
(She be playin' dumb niggas like you)
Make a nigga double back like hitter you
Had a nigga drop twenty on a Mini Coop
Yea they gon' have her backstage 'cause she cute and she know that
(She be playin' dumb niggas like you)

West side bitches get the money
East side bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it
Down south bitches get the money
Midwest bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it

Tunnel vision got me looking at these hoes different
Cold wit' it, make careers off of gold diggin'
Hard to trust anybody so I don't risk it
Wood grain wheel grippin' playin' Po Pimpin'
I keep both my Chucks tied there ain't no trippin'
It ain't 'bout the dollar sign then I don't listen
I couldn't hear I'm on the other ear with Ben Franklin
Curly hair, curvy frame that's my temptation
Goddamn that bitch bad I'm just being patient
But yo body language giving me that invitation
I'm just sayin' I'm just sayin' what's yo situation
Why you playin' niggas prayin' on that penetration
You know what love is

West side bitches get the money
East side bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it
Down south bitches get the money
Midwest bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it

Oh boy she at the game high seat next to Popovich
Another rookie nigga got the twist
Home court on that boppin' shit
How you know Ibaka, bitch?
(She be playin' dumb niggas like you)
Fat ass bad manners

Listen pimpin' where yo antennas
Maria on yo mind I don't hear no Santana
She count you every time, that nigga that gon' play Samson
(She be playin' dumb niggas like you)
She Carhartt you Mary Kay, Sephora
And how the fuck you always takin' orders
Own that Wraith or you can't afford her
How you tryna have that baby for her, need some Brut cologne
Take L's all season fuck around recruit in Rome
Got you scrollin' through her phone hella area codes
How she get direct deposit just for marryin' homes
Former Instagram model now she barely at home
That's your girl that's your world you don't care who she know

West side bitches get the money
East side bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it
Down south bitches get the money
Midwest bitches actin' funny
Let 'em play yo ass like a dummy
Yea I know you hate it but you love it
