Like a homie blowing chilling with the homies
Phony niggas keep it moving

I don't have the patience and there's no acquaintance
Bitches hit me up and when they ready for relations we get drunk
Sloppy, over do you copy?
Hate me 'cause I'm cocky haters wanna chop me
Watch me close, sit back and I pose
I'm a pharmacist, hit me anytime you need a dose

Raised around killers burnt like toast
Burned like rotisserie raised up in misery
Pay the world back for the probs that was given me

Bad bitch she was poppin my in hand

Get it understood I'm a star in the hood
Fuck an oscar and a grammy

Heartbreak kid this that sweet chain music
No heart he's centering the pain
All off in her ear tryin' to send her on a date
Soda from the corner store then I go pour for
