

EC

PACKS

I didn't know him
But I'm throwing my phone in the deepest ditch to be pissed on
By the driver of a champagne sedan
He looked so good in his tuxedo

Easy now, EC
Settle down, EC

Time didn't slow him
Now he's riding the tip of a tidal wave in the ocean
Making snap decisions with seagulls
But look no further for the answer

Easy now, EC
Slow it down, EC
