

## Time Loop

PACKS

Found a time loop  
Hope you come back soon  
I'm anxious and salivating  
Proves that I'm alive  
See? Oh, pinch me

It's not hopeless, yet  
It's not hopeless, yet  
It's not hopeless, yet  
It's not hopeless, yet

She said while driving away  
What is that strange sensation

Found a time loop  
Hope you come back soon  
I'm sleeping and satiated  
It's about time  
See? Oh, pinch me

It's not hopeless, yet  
It's not hopeless, yet  
It's not hopeless, yet  
It's not hopeless, yet

She said while driving away  
What is that strange sensation

Found a time loop  
Hope you come back soon
