

who will it be

PACKS

There's two hearts breakin' in her life
A friend of mine and me
Who will it be?
This friend of mine or me?
I love her, and he loves her too
Time is nearing, she will choose
One will win, and one will lose
Who will it be?

Somebody's heart is going to hurt
Who, who?
She loves us both, but one the most
Who will it be?

I can't hardly wait until the time
When she'll be his or mine
Until then this heart will be cryin'
Who will it be?

Somebody's heart is going to hurt
Who, who?
She loves us both, but one the most
Who will it be?
