

## Promoting Total Death

Paganizer

Set the missiles free  
Unleash the manmade cleanser  
Wipe the slate clean again  
Using total death  
Since the dawn of ages  
Greed has thrived within  
We've lost our right to this place  
Let's nuke away all sin

[Chorus:]

Promoting the total death of mankind  
Abomination

Another dawn will rise  
Unstained by profit  
A new dawn arise  
From the ashes of demise
