

## Trapped

Pain

Uh!

I count people in every country sitting on their ass  
Try to make a decision whether to sell my stuff or pass.  
Don't wanna be in this universal family  
It ain't worth it to me  
I signed my name in blood and now I'm really fucked.  
There's no way I can get out of this misery.  
Trapped in this hell  
I see my life flash before my eyes  
Trapped in this hell  
No matter what I do, I'm stuck to you  
What do you want from me? I do the best I can  
It's not easy to be motivated when you don't even give a damn  
Why should I care? It's just a waste of time  
When you don't even have me on your mind  
No matter what you say its gonna be the same  
There's no one who cares, I've lost my faith in you.  
Trapped in this hell  
I see my life flash before my eyes  
Trapped in this hell  
I don't want you and you don't need me  
Trapped in this hell  
Just let me go, I don't want to stay  
Trapped in this hell  
No matter what I do, I'm stuck to you  
Trapped in this hell  
I see my life flash before my eyes  
Trapped in this hell  
I don't want you and you don't need me  
Trapped in this hell  
Just let me go, I don't want to stay  
Trapped in this hell  
No matter what I do, I'm stuck to you
