

## Chase The Light

Palace

I'm afraid of the dark  
To me, you're the light  
You're more than a champion  
Sold your soul to burn bright  
And I'm brave like Samson  
Got a high line paper  
You break your back for the pedestal  
Sold your son to be savior

Chase the light and say it's on  
Before we've had enough  
Face the fight and play it down  
Oh, let's have it rough  
Throw the bead inside my lungs  
'Fore with harmony  
The taste atop our tongues  
For eternity, for eternity  
For eternity, for eternity  
For return, for return  
For return, for return  
For return, for return  
For eternity, for return
