

## Lover (Don't Let Me Down)

Palace

Said it's from the heart  
To just let it breathe  
Let's fall apart  
Just you and me  
Coming straight from our heads  
To the tip of our tongues  
Wanna live to my death  
To the depths of our love, love

Lover, don't let me down  
'Cause my stomach's been twisted for ages now  
Please, my woman, don't let me down  
'Cause I love you, I love you to the end of time

Said it creeps in my lungs  
Said it's gone to their heads  
This violent love  
Is it worth it if I said  
That I'm a jealous man?  
Is it different now  
This insecure stance?  
But I promise now, promise now

Lover, don't let me down  
'Cause my stomach's been twisted for ages now  
Please, my woman, don't let me down  
'Cause I love you, I love you to the end of time

It's all in my head  
It's all in my head  
It's all in my head  
It's all in my head

It's all in my head  
It's all in my head  
It's all in my head  
It's all in my head

It's all in our heads  
It's all in our heads  
It's all in our heads  
It's all in our heads

I would  
I would do anything  
I will give you everything  
'Cause you make my heart sing
