

Clockwork

Palaye Royale

Time, lonely dreams
And I have lost everything
Seasons change, colors fade
Those lifeless flowers on the floor
Blooming on my grave

No way out
Of what you're going to be

You float downstream
Your body lies next to me
Well I'm trapped inside your heart
I don't mind the broken parts
But I want to see your lying thieves
Underneath my stars

No way out
Of what you're going to be

And I feel I don't know where I'm going now
And I feel like I am six feet underground
Well, I can't make you lose your mind
Well, I can't get closer to life

Light bulbs break down your wicker stairs
You can't see me behind your black hair
But I want you
Oh, I want to take you home

And I feel I don't know where I'm going now
And I feel like I am six feet underground
Well, I can't make you lose your mind
Well, I can't get closer to life

No, no, no, yeah

I can feel you
I can feel you
I can feel you
I can feel you
I can feel you
I can feel you
I can feel you
I can feel you

And I feel I don't know where I'm going now
And I feel like I am six feet underground
Well, I can't make you lose your mind
Well, I can't get closer to life

And I feel I don't know where I'm going now
And I feel like I am six feet underground
Like I am six feet underground
Like I am six feet under
Six feet under
