

Don't Feel Quite Right

Palaye Royale

You talk your talk like your something else
You walking down the street all by yourself
You spending money
Don't know where it comes from
I'm not a fan of you
I'm not a fan of you at all

Oh no so syndicated
God damn so medicated
Oh no I'm misbehaving
Oh no
I don't feel quite right
There's something in the air tonight
Must be the way she's looking at me
Is there something wrong
Is there something wrong with me
I don't feel quite right
There's something in the air now tonight
Must be the words that she speaks
Is there something wrong
Is there something wrong with me
Cuz something is wrong
Oh na na na na oh

You walk your walk but your falling down, falling down
High heels on a cat walk up or down
You spending money
Don't know where it comes from
You change your hair
You change your lips
But you'll never find your fix

Oh no so syndicated
God damn so medicated
Oh yeah I'm misbehaving
Oh yeah

I don't feel quite right
There's something in the air tonight
Must be the way she's looking at me
Is there something wrong
Is there something wrong with me
I don't feel quite right
There's something in the air now tonight
Must be the words that she speaks
Is there something wrong
Is there something wrong with me
Cuz something is wrong
Oh no no no no
Something is wrong
Hit me now

Get up
Get down
Stand up
Lie down
Get down

Stand up
Sit down
Now wake up
Now fall down
Going yeah yeah yeah yeah yeah yeah yeah
Uh

I don't feel quite right
There's something in the air tonight
Must be the way she's looking at me
Is there something wrong
Is there something wrong with me
I don't feel quite right
There's something in the air now tonight
Must be the words that she speaks
Is there something wrong
Is there something wrong with me
Well something is wrong
Oh no no no no
Something is wrong
