

Doom (Empty)

Palaye Royale

He is coming
Out to get me
Man in Black is getting angry
Come to collect
What I owe him
The devil will be disappointed

'Cause I'm empty
So empty
I'm empty
So kill me
I'm empty
So empty
I'm empty
So kill me

No escaping
What is coming
Eternity of being nothing
Wish me well on my exhibition
No point of life if you ain't living

'Cause I'm empty
So empty
I'm empty
So kill me
I'm empty
So empty
I'm empty
So kill me
