

# Love the Void

Palaye Royale

You fall awake again  
You're sleeping with your friends  
You don't know where it ends  
Then it's back to bed again  
Love the void, my friend  
You don't know where it ends  
Your time will never stop  
Tick-tock on the big clock

I'll never, never let you go  
I never wanna see you low  
I never want you to go  
Well, one day you'll die  
But not tonight

Stop there, I won't let you  
Drop dead in your bedroom  
Moonchild won't see another day  
I'm finding God in hospitals  
Wild things in wicked walls  
Wake up, you'll be just fine  
But not this time

Went back to sleep again  
You're killing all your friends  
Time will never stop  
Tick-tock on the big clock

I'll never, never let you go  
I never wanna see you low  
I never want you to go  
Well, one day you'll die  
But not to-fucking-night

Stop there, I won't let you  
Drop dead in your bedroom  
Moonchild won't see another day  
I'm finding God in hospitals  
Wild things in wicked walls  
Wake up, you'll be just fine  
No, not this time

No, I won't say goodnight  
No, I won't say goodnight  
No... no, I won't say goodnight  
Oh, no-no, no, no  
No, I won't say goodnight

Where will I be  
Floating downstream  
Humming along  
To the loveliest dream  
Where will I be  
Floating downstream  
Humming along  
To the loveliest dream

Stop there, I won't let you  
Drop dead in your bedroom  
Moonchild won't see another day  
I'm finding God in hospitals  
Wild things in wicked walls  
Wake up, you'll be just fine  
No, not this time

No, I won't say goodnight  
No, I won't say goodnight  
Oh, yeah  
No, I won't say goodnight  
No-no, no-no, no, no  
No, I won't say goodnight
