

Mister Devil

Palaye Royale

Mister devil it's an honor to meet you
Woah, woah, woah, woah
You missed my call, I've been trying to reach you
Woah, woah, woah, woah

The man in black, is standing right in front of me
Looking at his face I know the similarities
When the stones started rolling he had sympathy
They say that misery loves company

Hell no hell no, below
Where do I go when I'm alone
Hell no hell no, below
Yeah, yeah, yeah, yeah, yeah

Mister devil it's an honor to meet you
Woah, woah, woah, woah
You missed my call, I've been trying to reach you
Woah, woah, woah, woah
I've been a fan for a long long time
He said, take a number and get in line
Mister devil it's an honor to meet you
He said, that the pleasure is all mine

I sold my soul, wish I made a little money though
Looking for redemption in this empty home
Tried to talk to God, but it's impossible
Yeah it's impossible

Hell no hell no, below
Where do I go when I'm alone
Hell no hell no, below
Yeah, yeah, yeah, yeah, yeah

Mister devil it's an honor to meet you
Woah, woah, woah, woah
You missed my call, I've been trying to reach you
Woah, woah, woah, woah
I've been a fan for a long long time
He said, take a number and get in line
Mister devil it's an honor to meet you
He said, that the pleasure is all mine

'Cause now is my time to choose
Neck inside the noose
Can you tell me what to do
Can I find a friend in you
Which way will it lead
He seems so nice to me
How much will I bleed
Before I shake your hand

Mister devil it's an honor to meet you
Woah, woah, woah, woah
You missed my call, I've been trying to reach you
Woah, woah, woah, woah
I've been a fan for a long long time

He said, take a number and get in line
Mister devil it's an honor to meet you
He said, that the pleasure is all mine
