

Mr. Doctor Man

Palaye Royale

I'm Mr. Doctor Man
Who questions his hands
Lost his mind
But clinically fine
But he found a way to cope
Needle in his throat
Falling down
But the world is spinning round and round
He knows

Up, down
But the world is spinning round and round
I see
This place ain't big enough for me
I want you to take me away way, way, baby
Up down
But the world is spinning round and round
I see
This place ain't big enough for me
I want you to take me away way, way, way
What you wanna say?

Chemically
It's running through my veins, you see?
Romance of the plastic scenes
Well, I can't see you breathe
They're coming after me
Honestly
It's running through my veins, you see?
I don't need their surgeries
I just wanna breathe
They're coming after me

There is a little story I'd like to tell
About this little boy who came from hell
Sit right there and listen real good
I'll tell you all the ways he's misunderstood

Well, I see you standing there
With that old wicked stare
Just stay for the show
Are you ready, no?
Are you ready to go?

Chemically
It's running through my veins, you see?
Romance of the plastic scenes
Well, I can't see you breathe
They're coming after me
Honestly
It's running through my veins, you see?
I don't need their surgeries
I just wanna breathe
They're coming after me

I'm Mr. Doctor Man
Who questions his hands

Lost his mind
But is clinically fine
He found a way to cope
Needle in his throat
Falling down,
But his world is spinning round

I'm stuck in a boom-boom room
People are dancing after their operation
I want you to move
But nobody's moving after their medications
I can't hear the room
People are dancing after their operation
I want you to move
But nobody's moving at all

Chemically
It's running through my veins, you see?
Romance of the plastic scenes
I can't see you breathe
They're coming after me
Honestly
It's running through my veins, you see?
I don't need their surgeries
I just wanna breathe
They're coming after me

Oh, no
Oh, oh, no, no
Oh, no, no, no
They're coming after me
Oh, no
After me
Oh, no
They're coming after me
