

Pretty Stranger

Palaye Royale

The suppression of the use of marijuana

A pretty stranger
Yeah, you're dragging it on
Yeah, you're dragging it on
Pretty little lady
Yeah, yeah, you don't belong
Yeah, yeah, you don't belong

Live your life in your chambers
Hide behind your screen
You live your life with such anger
Tell me, what do you mean?
So pretty, danger
Oh, you're bringing me down
So fly on, fly on

Oh, it cuts like a knife, we live 'til we die
Let's get pretty strange tonight
Oh, we're chasing the high, we laugh 'til we cry
Let's get pretty strange tonight
Fly on, fly on
Fly on, fly on
Fly on, fly on

You imitator
You're not singing songs
You're not singing songs
You washed-up entertainer
Oh, just mumbles along
And stumbles along

Live your life in your chambers
Hide behind your screen
You live your life with such anger
Tell me, what do you mean?
So pretty, stranger
Oh, you're bringing me down
So fly on, fly on

Oh, it cuts like a knife, we live 'til we die
Let's get pretty strange tonight
Oh, we're chasing the high, we laugh 'til we cry
Let's get pretty strange tonight
Fly on, fly on
Fly on, fly on
Fly on, fly on

Please fasten your seatbelts and put your tray tables to their upright position
We're making the final descent of our trip
We hope you enjoyed the ride and thank you once again for choosing drugs
Here we go

Oh, it cuts like a knife, we live 'til we die
Let's get pretty strange tonight
Oh, we're chasing the high, we laugh 'til we cry

Let's get pretty strange tonight
Fly on, fly on
