

# Stay

Palaye Royale

I see you for what you are  
It's something in your eyes  
That look past my scars  
So where do you go when you leave in the night?  
'Cause I see those teary eyes

I am the only hope for you  
You are the only hope for me too  
I just wanted you  
I just wanted you  
I am the only hope for you  
You are the only hope for me too  
I just wanted you  
I just wanted you

So stay this time  
Don't go away  
Don't go away  
Don't go away  
So stay  
This time  
This time

You see me for what I am  
One thing you can say  
That will leave me broken  
The end is near  
I really don't want to know  
It's haunting me to watch you go

I am the only hope for you  
You are the only hope for me too  
I just wanted you  
I just wanted you

So stay this time  
Don't go away  
Don't go away  
Don't go away  
So stay  
This time  
This time

I am the only hope for you  
You are the only hope for me too  
I just wanted you  
I just wanted you  
I am the only hope for you  
You are the only hope for me too  
I just—I just wanted you

So stay this time  
Don't go away  
Don't go away  
Don't go away  
So stay  
This time

This time
