

## Black

## Pale Waves

You're beginning to hate me  
Of who I'm becoming lately  
Oh please, don't look at me like that  
I feel like I'm having a heart attack  
Don't you say that you don't want me around  
I'm not changing, I'm just waiting to figure myself out

You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do  
You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do  
I feel like I'm having a heart attack

I miss the way you were with me  
And you'd stroke my face so softly  
And kiss me on the head when I can't sleep  
And I know that I'm argumentative  
Why did I make you feel so wrong?  
All I ever seemed to do is ache for you  
I love you, but I know that is overdue

You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do  
You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do

Crying outside your house  
But you won't come out  
And on the phone you screamed  
And now you're done with me

You don't love us anymore but I do, I do  
You don't love us anymore but I do, I do  
You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do  
You don't love us anymore but I do, I do  
You don't think we're worth it but I do, I do
