

## Something On Your Mind

Palehound

Yesterday any way you made it was just fine  
So you turned your days into night time  
Didn't you know, you can't make it without ever even trying it?  
And something's on your mind, isn't it?

Let these times show you that you're breaking up the lines  
Leaving all your dreams too far behind  
Didn't you see, you can't make it without ever even trying it?  
Something's on your mind

Maybe another day you'll want to feel another way, you can't stop crying  
You haven't got a thing to say, you feel you want to run away  
There's no use trying, anyway  
I've seen the writing on the wall  
Who cannot maintain will always fall  
Well, you know, you can't make it without ever even trying

But something's on your mind, isn't it?  
Something's on your mind, isn't it?  
Tell the truth now, isn't it?  
Something's on your mind
