Pallas

Hello, good morning from the top of the food chain  
Your thoughts and calls are most important to me  
You voted me in to bring back the good times  
So just relax and leave it all to me

I'm walking the walk, I'm talking the talk  
I'm kissing the creche, I'm pressing the flesh  
I'm wearing the clothes, I powder my nose  
I'm calling the shots, I'm liking it

God is my buddy and we talk all the time  
He wants you to know that he's doing just fine  
He took retirement - got a place in the sun  
Now that's my promise for you everyone

I'm walking the walk, I'm talking the talk  
I'm kissing the creche, I'm pressing the flesh  
I'm wearing the clothes, I powder my nose  
I'm calling the shots, I'm liking it

Since I was a small boy I've dreamed of this day  
When all of you would look up to me this way  
Now that we have the future in the palm of our hands  
Let's take a ride to the promised land

I'm walking the walk, I'm talking the talk  
I'm kissing the creche, I'm pressing the flesh  
I'm wearing the clothes, I powder my nose  
I'm calling the shots, I'm liking it

Messiah  
Don't you know he's a liar
