

# Rattlesnake Highway

Palma Violets

Rattlesnake highway, I wanna go  
To the place that, I'm home  
Strummer on my shoulder  
Oh he knows  
Knows how it feels to be alone

Sow the seeds  
And we can watch it grow  
Just like trees  
We excel in the sun

Unlike you, I have nothing  
Going on for me  
Cos I love you  
Sun sun, come along

Rattlesnake!

Hold up, hold up  
What's that you say?  
My love, why have you run away?  
I guess you caught the morning news today  
I'm a rattlesnake highway man

On the rattlesnake.. highway!  
On the rattlesnake.. highway!  
I'm a rattlesnake highway man
