

Let Me Down Easy

Paloma Faith

Let me down easy
All your love for me is gone
Let me down easy
Since you feel to stay is wrong
I know it's all over, by the last goodbye
Ohhh, let me down easy

When you pass by me
Say hello once and a while
When you pass by me, baby
Does it hurt so much to smile?

We promised that we'd still be friends
Til the very, very end
I'm begging you baby, please
Let me down easy

I remember our first time
It was so nice, dear
Never thought we'd have to part
But now it's all over, by the last goodbye

I'm calling you, baby please
Let me down easy
Let me down easy
Let me down easy
Baby, baby please
Let me down easy
Let me down, nice and easy
Let me down, let me down easy
