

Say You Love Me

Pam Tillis

Have mercy, baby, on a poor girl like me
You know I'm fallin', fallin', fallin' at your feet
I'm tinglin' right from my head to my toes
So help me, help me, help me make the feelin' go

'Cause when the lovin' starts and the lights go down
And there's not another livin' soul around
You woo me until the sun comes up
And you say that you love me

Have pity, baby, just when I thought it was over
Now you got me runnin', runnin', runnin' for cover
I'm beggin' you for a little sympathy
'Cause if you use me again, it'll be the end of me

'Cause when the lovin' starts and the lights go down
And there's not another livin' soul around
You woo me until the sun comes up
And you say that you love me

Baby, baby, hope you're gonna stay away
'Cause I'm gettin' weaker, weaker every day
I guess I'm not as strong as I used to be
And if you use me again, it'll be the end of me

Oh, 'cause when the lovin' starts and the lights go down
And there's not another livin' soul around
You woo me until the sun comes up
And you say that you love me
'Cause when the lovin' starts and the lights go down
There's not another livin' soul around
You woo me until the sun comes up
And you say that you love me
And you say that you love me
And you say that you love me

Fallin', fallin', fallin'
Fallin', fallin', fallin'
Fallin', fallin', fallin'
Fallin', fallin', fallin'
