

## Southern Nights

Pam Tillis

Southern nights  
Have you ever felt a southern night?  
Free as a breeze, not to mention the trees  
Whistling tunes that you know and love so  
Southern nights  
Just as good even when closed your eyes  
I apologize  
To anyone who can truly say that he has found a better way

Southern skies  
Have you ever noticed southern skies?  
Rich, precious beauty lies just beyond the eye  
It goes running through the soul like those stories told of old  
Old man  
He and his dog, they walked the old land  
Every flower touched by his cold hands  
As he slowly walked by, weeping willows would cry

For joy  
Southern nights  
For joy

Feels so good  
Feels so good it's frightening  
Wish I could  
Stop this world from fighting

Mystery (mystery)  
Like this and many others  
In the trees (in the trees)  
Blow in the night  
In the southern skies

Southern nights (southern nights)  
They've been so good it's frightening  
Wish I could (wish I could)  
Stop this world from fighting

Southern nights (southern nights)  
Have you ever felt a southern night? (Southern night)

Love those southern nights
