

## Boy

Pamungkas

Boy, of all your life  
You've never stopped juggling and waiting  
I'm like everyone  
I use patience to stay fine and sane

Times move as you prepare  
Not it's too late  
You're going nowhere  
Can't leave, can't release

Now, what would you do?  
What should I say?  
What can we leave behind and  
Boy, maybe you'll wait  
Maybe you're gone  
Maybe I won't be here no more  
Who knows?  
Who knows?  
Well, don't ask me boy

Boy, from time to time  
You've tried so hard  
Not to hate yourself  
For what I am not  
'Cause I am not  
What you think I am

Now, what would you do?  
What should I say?  
What can we leave behind and  
Boy, maybe you'll wait  
Maybe you're gone  
Maybe I won't be here no more  
Who knows?  
Who knows?  
Well, don't ask me boy

No, don't ask me boy  
Don't ask me, no

Boy, from time to time  
You've tried so hard  
Not to hate yourself
