

Closure

Pamungkas

I feel small again
Same old story
Don't you call again
I'm not sorry
I am better off without you
I am better off without you

I give up tryin'
At least for today
Lyin' is lyin'
It's never okay
Bend it all you want
Hide it all you can
I give up tryin'
I give up tryin'
I am better off without you
I am better off without you
I'm so angry towards you

I'll take time again
War on worry
Don't you call again
I'm not sorry
I am better off without you
I am better off alone

I give up tryin'
At least for today
Lyin' is lyin'
It's never okay
Bend it all you want
Hide it all you can
But I give up tryin'
And though I'll be sad
Lyin' still lyin'
And I'll settle with that
Bend it all you want
Hide it all you can
I give up tryin'
I give up tryin'
I give up tryin' for you
I give up tryin'
I give up tryin'
At least for today
Lyin' still lyin'
I'll make it okay
Bend it all you want
And hide it all you can
But I give up fighting for you, I'm trying
I am better off without you
I am better off without you
I'm so angry towards you, yes
