

Intentions

Pamungkas

I don't know what I'm doing
All my feelings speaks
In the way that you won't
Understand its meaning
Words are out of reach
Then there comes the silence
It gets in the way between us
Can't you just see it in my eyes
That I just need to let you know that I

I just want to love you right
Free you so you shine your lights
Can't you see it?
Now I just wanna kiss you right
Saying everything without
A word or two

I lost the sense of me
In pitch dark I go
Swim into your palette
Closing out the gap between us
Pretty sure you see it in my eyes
That I just wanna let you know that I
I love you
I love you
I love you
And I'm not mad about it
No, I'm not mad about it

I just want to love you right
Free you so you shine your lights
Can't you see it?
Now I just wanna kiss you right
Saying everything without
A word or two

I just want to love you right
I just want to love you right

I don't know what is up with you
But I always wants the best
And by best I guess it means
Intentions, attentions; seen
Well I just wanna love you right
Well I just wanna love you right

I just want to love you right
I just want to love you right

I don't know what I'm doing
All my feelings speaks
In the way that you don't
