

Intro III

Pamungkas

You bent and broke my life
Twice as hard as how I like
Well hello again, my friend
It's been a long time coming
Do you remember me?
Do you remember me?

I'm sure you heard about me
About what happened to my knees
It's been a very long walk I'm in
But yes I got that dream for me
Do you remember that?
That I said I'd walk my talk
(Hey, what doesn't kill you makes you stronger)
(Absence makes your heart grow fonder)

And I have been away too long
Since I'm over it and I moved on
Onto better things in life
I'm free

But for one last time I'm checking out
Before I'm checking out
And for one last time
(Do you remember me?)
