

# Let Me Cry

Pamungkas

Underneath my skin  
There's this side of me  
That I don't show you, mmm  
Despite how I've been  
There's this thing in me  
That I hide from you

Don't know, don't know, don't know why  
I don't wanna tell you why

Let me feel it, let me cry it  
Let me take this on my own  
Let me try to cry  
Wanna feel it, wanna cry it  
Wanna take this on my own  
Let me cry, can I?

When the time is right  
Then you may come back  
And then ask me why  
And I guess by then  
I may understand, ooh  
How to talk about it, oh  
How to tell you

Don't know, don't know, don't know why, oh  
I don't wanna tell you why, yeah

Let me feel it, let me cry it  
Let me take this on my own  
Let me try to cry  
Wanna feel it, wanna cry it  
Wanna take this on my own  
Let me cry, can I?

Sadness, heartache  
Coldness and pain  
Take it, talk it  
Sink it away  
Sadness, heartache  
Coldness and pain  
Take it, talk it  
Sink it away
