

Lover Stay

Pamungkas

The lover has arrived
She's tough and up for a ride
She is a five-star kinda child
She says no and then go
Couldn't care less
And when her mind is being loud
And whatever she's on about
The world agrees without a doubt
She's a mess like the rest
But she knows that

Where I wanna be is just to near her
I've had enough friends and she's a lover
It's not like I'm love but you know what I mean
'Cause she knows why I'm in

Money comes and goes but lover stay
Oh oh whoa oh whoa oh
Oh oh whoa oh whoa

She knows all
About how the world could go down
If we ever fall in love and more
She knows I could never be like how she needed

But I don't mind
Forever I would try
Although she'd say no then go
Again and again and again and to that I'd say

Hey, okay
Money comes and goes but lover stay
Hey, okay
Money comes and goes, money comes and goes
Lover stay

Now hear me out
Hear me out
I don't wanna be your friend
I just wanna be your lover
I just wanna be your lover
Well I just wanna be your lover, oh hey
Hey

Hey, okay
People comes and goes but some would stay, you know
Hey, okay
Money comes and goes, money comes and goes
Lover stay

Hey
Hey
The love I'm working on
Is the love she's running from
The love I'm working on
Is the love she's running from
Yeah, the love I'm working on

Is the love she's running from
Yeah, the love I'm working on
Is the love she's running from
