

One Bad Day

Pamungkas

One bad day
Everything is colder
Like a rain in October
Don't wanna go home

It's one bad day
Everyone is losing
And the game is confusing
Nobody wins

It's one bad night
I pray you are okay
And you boss around the day
It's one bad day

Take me out
Take me to somewhere closer to you
Take me out
Take me now, it's just, it's just, oh, it's just
One bad day, I know
One bad day, I know

One bad day
I'm tired, unhappy
Don't know what's missing
I wanna see you

It's one bad night
I pray you are okay
And you boss around the day
It's one bad day

Take me out
Take me to somewhere closer to you
Take me out
Take me now, it's just, it's just, oh, it's just
One bad day, I know
One bad day, I know
One bad day, I know
One bad day, you know
One of those
One of those days
