

Still Can't Call Your Name

Pamungkas

Still can't call your name
Oh I still can't call your name

Somebody got time for me?
Last time I checked it's been too long
Since you've been gone away very far from me
In my wildest dreams I sang your song
In every places that I go
Every roses that I touch
It's always you

But I still can't call your name
Oh I still can't call your name
Still I don't want to hear your name cause I still can't call your name
me would u believe it?

"Tu me manques de temps en temps"
That's somethin' you used to say
You took cool pictures of me and kept it all for you
Photographic eyes, you got them for free
Stoned and barely awake
White t-shirt, dark pinky eyes
Dry lips, you'd whisper my name

But I still can't call your name
Oh I still can't call your name
Still I don't want to hear your name
Cause I still can't call your name

I've been up
Work my ass today
I've been growing so much
And I took my time to say
But I still can't call your name
I took a long
Proper nap today
Staying grounded
Took the year out
Cut my hair and say
That I still can't your full name
I don't know why
No I don't know why
No I don't
I don't
I don't know why
Would you believe it?
Would you believe all of it?

Still can't call your name
Je ne peux toujours pas dire ton nom
