Ah, there's a space in between you and I

While I was walking  
Promised of a talking  
Anger came calling  
Out of the blue  
And said, "It's all good, it's all good, it's all good"  
Takes my breath away  
Now I'm inhaling  
Taking it so deep  
Eyes are closin'  
Feeling it all  
And I slowly walked out of you  
Well I walked the fuck out the old me

As I'm exhaling  
I know I'm free  
I am untitled  
Now I'm untitled

Ah, there's a space in between you and I  
Oh yes  
Ah, there's a space in between you and I

And I'm running'  
So fast, nearly cryin'  
Nobody but me  
Can't catch me now  
Can't stop me now  
Hey, it's all good, it's all good  
And I'm free  
Ooh, can't you see?  
I'm untitled  
I'm not the same  
Ever again  
Hey I'm all good, I'm all good, I'm all good

Ah, there's a space in between you and I  
Ah, there's a space in between you and I

While I was walking  
Promised of a talking  
Anger came calling  
Out of the blue  
And said, "It's all good, it's all good, it's all good"  
So I walked the fuck out the old me
