

We'll Carry On

Pamungkas

Something in your eyes says, "it's gonna be okay"
Something in your smile says, "it's gonna be just fine"
Enough with the thoughts
It's not gonna be too bad
It's a ticking bomb I know
I won't worry no more

In my head I say, "hold on"
I'm here come what may won't let go
We'll carry on, we'll carry on

Oh, oh
Oh, oh
Oh, oh
Oh, oh, yeah

Something in the way you moves says, "that it won't be alright"
Something in the way you kiss me says, "it's gonna be hard"
Tell me again now, tell me again now
Are we doing this together?
'Cause, after all, it's us against the world
It's us against the world
And maybe we'll be just fine, yeah
And maybe we'll carry on

In my head I say, "hold on"
I'm here come what may won't let go
We'll carry on, we'll carry on, yeah
Whatever happens, hold on
Whatever happens, don't let go
We'll carry on
(I love you always only you)
(Please hold on and don't let go)
We'll carry on

Yeah
