

# Automatic

Panama

It feels like it's automatic,  
What you do to me makes me feel alive  
When I'm rolling with you, still automatic  
Won't tell no lie. This is how I feel

Don't know how it will turn out  
But I'm hoping it will last  
Don't know how it will turn out  
But I'm hoping it will last

When it's you  
When I'm here with you  
And me  
Still automatic  
When it's you  
When I'm here with you  
This feeling's automatic  
It's you  
When I'm here with you  
And me  
Still automatic  
When it's you  
This feeling's automatic

It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic

Shifts into place  
I can feel it now  
Coming over me  
Ha oh ha oh  
When I'm hanging out with you  
Still automatic  
Although I'm growing older  
I feel the same

It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic  
It's automatic

Just you and me  
When it's you and me  
Just you and me  
When it's you and me  
Just you and me  
When it's you and me  
Just you and me  
When it's you and me

Just you and me  
When it's you and me  
Just you and me  
When it's you and me
