

# Destroyer

Panama

God how I wish you could be here  
You have to be near, you have to believe  
You know how I want for you to return  
Beaten and alone

Ooh oh oh, your such a time destroyer  
Ooh oh oh, I'm such a time destroyer

God how I want for this to be real  
It has to be clear, it has to be right  
Hiding in shadows  
Broken and so cold

Ooh oh oh, your such a time destroyer  
Ooh oh oh, I'm such a time destroyer

Ooh oh oh, your such a time destroyer  
Ooh oh oh, I'm such a time destroyer

Ooh oh oh, your such a time destroyer  
Ooh oh oh, I'm such a time destroyer
